«Touche à Bâle 2018»

Dear Club Captains,

We look forward to welcoming you at the Touche à Bâle 2018. This year sees the 17th – and unfortunately the last – edition of the tournament. During the past 16 years, unforgettable and exciting tournaments have been organized for students and friends of fencing in cooperation with the University of Basel, the Fechtgesellschaft Basel and the Basler Fechtclub. A great era comes to an end and we hope to see many of you here for the final version of the Touche à Bâle.

You are cordially invited to participate on **Saturday/Sunday, 22nd/23rd September 2018**.

Traditionally, we hold a mixed-competition for each weapon category. The presentation ceremony will be held separately for women and men. The best fencer and the best university of the weekend will be honored.

To keep the nature of the tournament in a familiar atmosphere, we have to **limit the maximum number of participants** per category as follows:

Epee = 64

Foil = 48

Saber = 32

It is still possible to start in all three disciplines but it depends on the number of applications. However, double-starts are possible if signed up for on time. Generally: „You snooze, you lose!“

To allow a smooth and fair **foil competition**, we would like to count on your support with respect to the availability of referees. Therefore, the participation in the foil tournament also includes the **willingness to mutually act as referee**.

Eligible to participate are all active students who study at a university or University of Applied Sciences, as are employees and alumni of a university or University of Applied Sciences.

We would like to inform you, that we can **only accept swiss francs** to pay the entry fee and the buffet.

As always, we look forward to the get-together at dinner on Saturday. This is made possible thanks to the sponsoring of the Unisport from the University of Basel. Please indicate the number of fencers who would like to participate at the dinner in your application.

Unfortunately, accommodation in the sports halls is not possible – however, there are three cheap hostels in the city. For further information (incl. accommodation), please see below.

Application deadline is **Monday, 17th September 2018**.

Please send your complete applications to touche@fechtgesellschaftbasel.ch.

We thank you for your understanding.

See you there – we're looking forward to it!

Yours,
The Organization Committee

Nora Baud

Nadine Schmidlin

Regula Echle

Freddy Benning
